Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the 14 Mile Rd. Rehabilitation, Lahser to Evergreen in surface transportation reauthorization legislation.

The project sponsor for this project is the Village of Beverly Hills and the project is located at 14 Mile Road, between Evergreen Road and Lahser Road in Beverly Hills, MI 48025.

The funding is designated for partial reconstruction, removing the existing pavement surface and repairing any base issues.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: this project will improve a critical connection between the Village of Beverly Hills, Bloomfield Township, and the City of Birmingham. The project's goal is to improve safety and extend the pavement's useful life. Removing the existing pavement surface and repairing any base issues found will provide the repair's maximum service life, maximizing the return on the money spent. This road provides access to vital community services and recreation, including two schools.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
